Dr. Joshua Lederberg  
Department of Genetics  
The University of Wisconsin  
Madison 6, Wisconsin

Dear Dr. Lederberg:

Thank you very much for the material which you sent me in connection with our vacancy in Genetics. You may be sure that we shall go over it with great care.

This position is important enough to us so that we are following up a number of leads before we make any final decision. I shall be glad to keep you posted on developments and it is our hope to narrow things down within the next month or so.

Very truly yours,
